Seeding procedures:

1. Random seeds within class
2. Reverse order within class for second run
3. DSQs and DNFs run in their normal reverse order for the second run.

Council Team Selection:

11 girls and 16 boys from NFSC will be selected to compete at the NY State Championships. "States" will be held on March 5-6 at Holiday Valley. The JIV council team selection will be determined by the best 7 of 15 finishes using simple place points. The combined result from each race also counts as a finish. Ties will be broken by the next best run.

Only JIVs in our council will count toward the place points. JVs and JIV athletes from other councils will be stripped out of results before ranking. Results from all races are posted on www.nyssra.org and www.nfscski.com. 2nd run times will be provided for all competitors (including those with 1st run DSQ/DNFs) in the "Text" (.pdf) version of the results.

Color Teams

NFSC has 5 color teams representing each of our five member areas. Athletes will accumulate points for their respective color teams during the first four races, with results and awards presented to each member of the winning team at the Buffalo Ski Club race on February 20th. Each color team will have athletes from each of the five member areas.
